Tell us, and our girls, what you want more and less of!

FRENCH FANCY

I just wanted to drop you a line to say how brilliant it was to see Natasha Nice in *MensWorld* 23-3. You feature loads of American pornstars every month, which is obviously great, but I do feel that the magazine does sometimes overlook certain European girls who have made a big name for themselves in the business, Natasha being a prime example until now.

I don't know if it's because you don't see that many French babes in porn, but for some reason it feels really hot to wank over a Gallic girl, especially when she's got big tits and a nice rounded arse like Natasha. I like to imagine her talking to me in French whilst straddling my cock and rubbing her boobs. Please can you feature her again in *MensWorld* soon?
Rich, Email

I think they call it 'Je ne sais quoi' Rich, meaning that it feels strangely exotic to bash one out over a French bird every now and again. Or something like that, anyway. To be honest, Natasha's one of those really sexy, curvy girls who transcends national identity – with her plump tits and pretty face she'd get you stiff wherever she was from! Expect more from the French fittie over the next few months. Well, if the boss will fork out for her Eurostar fare, that is. He says he doesn't know why she can't hike. Meanie.

SHEEN LIVES THE DREAM

All the tabloid newspapers seem to be slagging off Charlie Sheen at the moment for hanging around with porn birds and partying all the time, but I think they're all just bloody jealous of him having so much fun – I am, that's for certain! What bloke wouldn't want to be in a position where they could shag any pornstar they fancied? And even though people claim he's trashing his reputation and setting a bad example to his fans with his antics, I reckon a few of the shit films he starred in during the 90s have already done that.

You say he partied the night away with the gorgeous Melanie Rios, who you featured in *MensWorld* 23-3? Well fair play, because she's fucking hot, and if I could get that busty blonde Bree Olson, who you've also had in the magazine on several occasions over the past few years, to come and live with me as Sheen has managed, then I'd kick the wife out and tell Bree to make herself comfortable. Unfortunately though, I don't think my semi in Nottingham would hold as much appeal to her as Charlie's Beverley Hills mansion!
Chris, Nottingham

You're right Chris, I think deep down us blokes are all jealous of Charlie 'Living the Dream' Sheen, even if you do wonder how long he can keep it all up for. Satisfying the insatiable sexual demands of a live-in pornstar and partying 24/7 can't be easy, although naturally we wouldn't mind giving it a try, especially with girls as gorgeous as Bree Olson or Melanie Rios.

MEGAN AGAIN!

I've been reading *MensWorld* for around ten years now, and this is the first time I've ever written in. I felt compelled to after reading Volume 23 Issue 3, as I thought the variety of girls was absolutely spot on, with the lovely pert Latina Melanie Rios heading up the magazine as cover and centre spread, and busty babes such as Natasha Nice, Ciera, Heather and Domenica catering for fans of big tits and peachy arses. My favourite model from the issue, however, has to be Megan, who just looked so seductive in her silk dressing gown and sexy undies. She even has a pierced nipple, which I found a massive turn-on – I bet she's incredible in bed, a right handful and really passionate. Keep up the good work, and more Megan please!

Tom, Harwich

Ten years and no letter! Come on Tom, you should know that we love receiving feedback here at MensWorld, especially when it's a positive as yours. There were a lot of great tits in Volume 23 Issue 3, and didn't Melanie's arse look great on the cover? We predict a big future in the industry for her.

For the record, out of all the girls in the magazine we thought Ciera looked the hottest with those massive boobs heaving their way out of that skimpy bikini, although we agree that Megan did make for a very sexy femme fatale in her shoot, and the type of girl who would certainly put you through your paces in the bedroom – should you be lucky enough to find yourself in one with her!

CASSIA

PHOTOGRAPHY: SAGE

WWW.PDFMAGAZINES.ORG

Cassia looks like the kind of girl who would be a lot of fun to be around, and not just because you could stare at her cleavage if you got bored with what she was talking about.

We think Cassia is definitely the type of bird who enjoys drinking in pubs, playing pool, telling dirty jokes and having a good old giggle over lagers and pork scratchings. We reckon she could definitely down a pint in one, make farting noises with her armpit, and by the end of your average boozy evening would have got her tits out at least four times and beaten everyone at darts.

If you think that Team *MensWorld* have got Cassia down as some kind of ideal woman and potential life partner then you'd be right. Of course, it's probably just all fantasy and wishful thinking on our part, but it hasn't stopped the Ed. emailing her agent to see if we can get the busty brunette over from America to England.

Not so much so we can photograph her for the magazine, we might add, but to ply her with alcohol in the pub across the road and to find out if she's as much fun as we think she would be.

What if she turns out to be really boring and a proper let-down? To be honest, I don't think we need worry about that – there's no way the boss will stump up for her airfare!

Stick It In!

We love hearing about all your filthy fumblings and sexual shenanigans, so if you've been out pulling birds, up to your nuts in the woman next door, or even just shagging your own missus, make sure to write in and tell us. There's £50 per letter in it for you, so get writing…

ELECTION-SPEARING!

I won't name names, so I'll call him Jack. He's in politics and needed to convince people to vote in a local election, so he got me and two other girls, Jennifer and Hailey, to add some much-needed glamour to his campaign – going door-to-door and stuff like that. By the end of what turned out to be a long, tough week, we all needed to blow off steam. Hailey – she's got a thing for older men – was flirting like mad and there was something about Jack. When he started to get off with her, I got this sudden surge of envy, and grabbed the nearest warm body – Jennifer's!

We stripped each other slowly, kissing and licking each other's exposed skin. Jack and Hailey stopped kissing to watch, but he had a hand inside of her pants and she was rubbing his crotch. His eyes widened as he saw my nipple ring, fingers thrusting harder into Hailey's cunt.

Soon Jennifer and I were naked and sixty-nining, me on top. Hailey padded over, got on all fours and began to kiss me, just a distraction so she could finger Jennifer's arse. Yeah, we were really going for it straight away.

Jack stripped too – he had a fit, buff body for his age, and a thick, rearing cock. And who'd have thought he'd have smooth-shaved balls under his suit? He got in behind Hailey, made his intentions clear, then shoved in. But all the while he was fucking her, he was looking at me, thinking how it would feel to fill my pussy…

I licked my lips, sucked a finger in to the knuckle and pulled it slowly out, then pointed it at him. He pulled out of Hailey's box and walked over, cock dripping, and I took it right in to the root first suck. Then I just focused on his bell-end, jerking him against my tongue.

I pulled away from the other girls, who were just as lost in each other as I was in blowing Jack. Then he asked me if I wanted his cock inside me. He loved my boobs, in particular my pierced nipple, so I straddled his crotch reverse cowgirl, so he could play with them. He squeezed them as his dick penetrated my snatch, and I could feel myself tighten up around it. As I rode him, he kept flicking the ring, then finally got his mouth around my tit so he could tongue it.

The other two girls wanted in on some group fun now, playing with Jack's nuts, guiding his dick in and out my minge. I could feel him get hotter as I circled my arse against his crotch then, suddenly, I felt him shoot deep in my cunt, flooding it with hot, gooey spunk.

I squatted over his crotch, letting it trickle out of my pussy and all over his cock and balls. Jennifer tasted it, first off of her fingers, then right from the well. As I lay back and she started to eat me for real, Hailey dove right in again, lapping creamy white drops from Jack's thighs and stomach, working her way toward his balls and then his dick.

She was soon sucking him, determined she'd get his next load. He let her suck him stiff and then a little more, before asking her to bend over. He toyed with her arsehole, but it was just a tease – he pulled his fingers out, then rammed his dick into her cunt.

I know I squeal when I take it

hard from behind, but Hailey was really bringing the house down! Jennifer and I just kept each other bubbling over, enjoyed the show, but as we saw his jizz bubble out all over her slit, we frigged each other to a furious orgasm.

Jack's a good sort and means well, but I don't know how far he's going to get in politics. He's one big scandal waiting to happen – he just can't keep his dick in his suit. Forget election, it's all about the erection! I just hope it's some consolation that he and his cock have avid supporters in us girls!

Millie, Telford

REVENGE ROMP!

When I discovered my boyfriend was cheating on me with one of his colleagues, Anna, I confronted her. But she seemed like a nice girl and I believed her when she said he'd lied to her too, so we talked over a few drinks and cooked up a plan for revenge on the dickhead!

We didn't want to do anything too heavy, and it was Anna who had a plan. He'd given her a key to his flat, so we decided to go there, film ourselves fucking and post it online. We thought he might enjoy watching girl on girl, so she talked another of his colleagues into joining us, a bloke named Paul, known for being a randy bugger.

We filmed enough to give him the message, opening with me masturbating on his couch, a big toy rammed in my fanny. Maybe his hard-on would distract him from the sight of my heels against the expensive leather as I fucked myself.

Next, I got Anna to help me out, sucking on my big tits. We got in a sixty-nine with her sucking my clit, as she moved her twat against my mouth. We gave him enough time to get into beating off, then Paul joined in, getting in behind Anna, cock poking up and balls swinging right above my face. He wet his fingers in her hole, rubbed it all over his meat, then let me suck on it – then I played it against her slit, telling her to hold on tight, this was one big knob.

Paul fucked her hard, their flesh slapping together above my head, little drops of juice flying all over. I wasn't

NATALIA

PHOTOGRAPHY: VLT

British-babe Natalia hails from Telford, a town in Shropshire that you would probably never ever describe as glamorous, even if the band T'Pau did come from there. No, really…

In case you hadn't already guessed, this shoot didn't take place in Telford, or even in England for that matter. Indeed, with Natalia being a rising starlet and all, super-snapper Viv Thomas whisked her off to a secret location somewhere in the US and got her to pose for these incredibly sexy snaps.

It's all very glamorous and whatnot, but what does this minx from the Midlands make of the jet-set lifestyle?

"Obviously I love travelling to places like LA to do shoots rather than staying in England," Natalia told us on her return from Thomas' luxury 'condo' up in the hills. "The weather's a lot nicer, the locations are mostly stunning, and once we've wrapped for the day I love going shopping in the huge malls they have out there. They're absolutely incredible."

Better than the Telford Shopping Centre, we asked. Billed on its website as 'The Shape Of Things To Come' and boasting many big name retail outlets including M&S and House of Fraser?

"Listen, you're not going to get me to slag off my home town or the shopping centre," she said with a giggle. "I still buy my knickers there."

KAGNEY

PHOTOGRAPHY: HOLLY RANDALL

Kagney Linn-Karter is one of the most popular starlets in the adult industry at the moment – no surprise really with her blonde bombshell looks, massive tits and beautiful hourglass figure.

However, far from being a porn 'prima donna' as you might expect and simply buggering off straight after the shoot, she actually stuck around for a chat, where we shamelessly peppered her with fawning compliments and questions about her career so far.

"It's all been such a crazy ride," Kagney told us with a beaming smile. "One minute I'm pole-dancing in clubs and the next I'm starring in big feature productions for all these massive companies. It's so exciting."

And appearing in *MensWorld* of course!

"Yay, and appearing in *MensWorld* for all my British fans. I don't get over to England anything like enough, so I hope they can accept these pictures as a kind of apology from me to them."

Amazingly, after spending twenty minutes or so with us chatting about this and that, Kagney still wasn't checking her watch, yawning, or even making her excuses. Either she was actually finding us interesting or she's very polite. We hope it's the former but suspect it's the latter…

NOT SAFE FOR WORK

THE INTERNET IS USEFUL FOR A GREAT MANY THINGS, LIKE CHECKING THE LATEST NEWS, BUYING CRAP YOU REALLY DON'T NEED AND KEEPING UP TO DATE WITH YOUR VIRTUAL 'FRIENDS'. PERSONALLY, WE LIKE USING IT TO PLAY GAMES, LOOK AT PORN AND WASTE TIME WHEN WE SHOULD BE WORKING. HERE ARE SOME OF THE BEST SITES WE'VE FOUND...

FUNNYEXAM.COM

Most of us have fucked up an exam or a test before, but to do it deliberately and basically take the piss out of the whole thing requires a lot of balls and/or stupidity.

Funnyexam.com is packed with the answer papers of genuine students who have chosen to play the wiseguy and fluff up on purpose – funny for us, bad for them – in addition to those who have written something silly for a laugh or simply put down a stupid answer because they're essentially just that.

From the pupil who thought that 'Hard Water' was 'Ice' and the child who figured that drawing a giraffe would make up for the fact that she couldn't do equations, to weirder stuff such as the young girl who writes sincerely about her role model being Colonel Sanders and the biology student who decided to turn a diagram of a cervix into a bear's face instead of tackling the questions at hand, the variety and scope of academic fuck-ups on display here is very impressive indeed, and some of the teacher's comments are priceless.

No matter how shit you were at school, this website should make you feel like a first-class swot.

WHENPARENTSTEXT.COM

Older people and cutting-edge technology tend not to mix at all well. However, where 'the olds' do tend to eventually grasp these kinds of appliances up to a point, mobile phones can create a whole new world of chaos and confusion for the more mature mind. Horribly mis-spelt messages with weird and mysterious characters that you don't even know how to find on your keypad are a given when an aging parent attempts text communication, but stranger still are some of the bizarre messages that they manage to conjure up, like a direct insight into a baffled and atrophying psyche. Many examples of this phenomenon can be found at *whenparentstext.com*, a site devoted to the irreverent, confusing and often very funny text efforts of the aged. Yes, we know we've got it all to come.

HISTORVIUS.COM

When you visit any city or town, it's usually very easy to track down the main sights and key places of historical interest, perhaps even without the help of a map. The Eiffel Tower, for example, is hard to miss, as is Barcelona's spectacular Sagrada Familia. However, for every 'big hitter' that the tourists flock to see in their droves, in many destinations there's an equally interesting sight that relatively few people will see on their trip, and often this will only be because they don't actually know it's there. *Historvius.com* is there to put that right. Simply select the name of the place you're visiting from the drop down tab, and the website will throw up an exhaustive list of every site they consider worth seeing, complete with images, maps and detailed descriptions outlining why it's a must-see.

MEATLESSMONDAY.COM

Eating cheap, mass-produced animal flesh is all the rage these days for many, but with cow's farts and forest clearing posing a threat to our environment, and eating too much crap meat very bad for your health and waistline, surely it's time we all started thinking about cutting down our consumption. *Meatlessmonday.com* is a great place to start, promoting as it does the simple notion that we all refrain from eating meat for one day out of seven. Featuring loads of great recipes that provide tasty animal-free options for breakfast, lunch and dinner, and loads of nutritional information to tell you what you might gain from having a '24 hour veggie-thon', this hugely informative website has everything you need to make a healthy and colon-cleaning start to the week.

TODAYSBIGTHING.COM

So you get into work and you've got nothing to talk about in the office because all you did the previous evening was have a wank and watch *Masterchef*. What you need is *todaysbigthing.com*, a website that features a different funny video for every day of the week. But this isn't just any ordinary funny video – this is a video that is deemed to be 'The Awesomest Thing on the Internet' for that particular 24 hour period. It's a bold claim and probably not always correct, but let's not be churlish here, because *todaysbigthing.com* will have you shouting out things to your workmates such as: "Look, a dog on a scooter!" making you the office 'Mr Mirth' virtually overnight – the man who brings people together for a few moments every morning for at least three minutes of internet-based merriment.

Foxy Boxing

MENSWORLD BRINGS TOGETHER TWO RIVALS FROM THE WORLD OF PORN AND LETS THEM SLUG IT OUT OVER FIVE GRUELLING ROUNDS...

This Month: The battle of Charlie's Angels – Bree Olson versus Capri Anderson

Pedigree

Olson

After five years in the industry, Bree Olson has starred in over 200 hardcore flicks and won several Adult Video News and X-Rated Critics Awards, making her something of an established porn starlet. She does ATM, facials, cumswapping and is famous for her passion for hard anal sex – Olson once fucked herself up the arse with a chair leg. However, reasons as to why Hollywood 'legend' Charlie Sheen has moved Bree into his Beverley Hills mansion remain as yet unconfirmed.

Anderson

Compared to Olson, Anderson is a novice – she's only made around 50 movies and has never stuck a chair leg up her bunghole. Most of her work thus far has been lesbo, leaving her well behind Bree on the cock-count, too. The true test of any pornstar worth their salt, currying favour with Charlie Sheen, has also proven difficult for Capri. While Bree manages to co-habit with the *Spin City* star, on a recent jaunt with Sheen, Anderson apparently had to lock herself in a cupboard. Thumbs down.

Round 1: Olson is without a doubt the pornstar with the better pedigree and all-important 'Sheen Rating', meaning the blonde bombshell takes the first with ease.

Hobbies and Interests

Olson

Although she looks every bit the air-headed blonde, in reality Bree is a thoughtful and intelligent girl. She's a strict vegan, a talented vegetarian cook and, according to her website, she wants to save the animals. Bree also likes to boast that she knows how to say 'Fuck' in Hungarian, making her something of a multi-linguist, too. She also (allegedly) has been known to drink-drive and piss in hospital foyers, but we're not sure if those pursuits can be considered either hobbies or interests.

Anderson

Some call her a pornstar, some say she's a high-class prostitute, others say she's both, and we're saying nothing for fear of legal reprisals – but what does Capri get up to when say, for example, she isn't having sex for money? From what we can prise from our media sources – putting her name into Google News, in other words – Capri's main interests appear to be hanging around in hotel bars selling her 'company' for $12,000 an 'evening' and flaying Charlie Sheen's good name.

Round 2: Whilst Olson could rustle you up a vegetarian meal and talk dirty in Hungarian, anything that Capri does might (allegedly) end up in a hefty bill afterwards. Bree takes the second.

Sex Appeal

Olson

Petite and blonde, yet with giant breasts, Olson is very much your stereotypical pornstar, the kind of buxom bird who is a pleasure to watch bouncing around on cock or licking pussy in one hardcore movie or another. Being a vegan, however, it's likely that Bree breaks wind regularly, meaning that she might not be as pleasant to have around the house as you might imagine. We expect Sheen has a Glade aerosol to hand whenever he's with the potentially gassy onscreen fuckslut.

Anderson

When she isn't crying on TV and threatening legal action against Hollywood greats, Anderson is a sexy girl with a hot body that recently won her a contract with Vivid – and no, this *didn't* have anything to do with the Sheen scandal. Whether it be through sticking to lesbo in her career so far or her ability to hide from rampant males, Capri still has that air of mystique about her in that she hasn't done triple-anal and appears not to have sexed Charlie Sheen – unusual for a pornstar.

Round 3: Less is more for Anderson, in terms of both farts and fucks, and she claws her way back into the contest.

Media Darling?

Olson

Although her name was dragged through the mud for a while after she was found to have spent an (allegedly) debauched evening with Sheen, (allegedly) got caught drink-driving and (allegedly) tried to piss on the floor in a hospital, these days the media seem almost charmed by Bree and her bizarre live-in arrangement with the *Wall Street* star. Such is Olson's popularity that she was recently cast in – an albeit very shit sounding – mainstream flick called *Mancation*.

Anderson

After her (alleged) hotel room ordeal with *him*, Anderson was a girl in demand, and she could regularly be seen on American TV revealing how Sheen (allegedly) tried to strangle her, (allegedly) went 'bolo' and how he (allegedly) insisted that *Men at Work*, a movie about binmen he made with his brother, Emilio Estevez, was 'Oscar material'. Although the media were sympathetic with Anderson, the tide turned when it became clear the last statement had to be a massive lie.

Round 4: While the fickle media have embraced the strange antics of Olson, they're still not sure what to make of potential (alleged) bullshitter Anderson. Bree bags the fourth.

What Sheen Might Say...

Olson

"At the time this article was written, Bree Olson was living with me in my Beverly Hills mansion, although she may not still be there as my private life is volatile. Usually, after we've had our tea and done the washing up, there's nothing I love more than to cosy up with her and watch *Major League*, a classic baseball comedy I starred in back in 1989 alongside Tom Berenger. I had such a blast making that movie... Of course, we don't bother with the sequel because it's crap."

Anderson

"As you may already know, I met Capri in a hotel bar one evening and she (allegedly) ended up back in my room, naked and locked in a cupboard. Many rumours exist as to what happened that night, and while I don't want to disappoint those who would like to believe tales of my 'meltdown' the fact is that Capri didn't want to watch a re-run of *Hot Shots: Part Deux*, in which have the starring role, and she had a big hissy fit. As to why she was naked I've no idea."

Round 5: "While I don't insist that my female companions enjoy my movies and refrain from locking themselves in cupboards, they are desirable attributes, and on that basis I'd like Bree to win."

Result

The battle of 'Charlie's Angels' was always going to be a close and tenaciously fought affair, but it's no surprise that the girl who seemingly enjoys domestic bliss with the disgraced/celebrated Hollywood travesty/hero ultimately bossed the contest and took the spoils, despite her (suspected) windy vegan tendencies and (alleged) love of pissing on hospital floors. You still would though, wouldn't you?

LATIKA

PHOTOGRAPHY: SCOTT WARD

Latika, now that's an unusual name isn't it? We've done some research and apparently it's Sanskrit for 'a plant', so with that fascinating nugget out of the way we can move on to talking about the girl herself.

Well firstly she's absolutely stunning, both in real life, dressed down in trackies and a T-shirt, and glammed up for the camera showing off that lovely pair of pert boobs and perfectly peachy bottom, but you already know about the last part, right?

She's also a very feisty character, as we quickly found out when we tried to tell her which poses to get into for our snapper.

"So you want me to kneel down and show my ass to the camera?" was one of her retorts. "Surely it would be hotter for your readers if I bent over and opened my pussy-lips with my fingers like this?"

And so it went on, with Latika essentially disagreeing with everything we said like a right fucking know-it-all and doing the things she thought would turn on you guys the most. The only problem was, from the stirrings in our trousers we knew she was absolutely right. Just don't tell her…

JO GUEST

PHOTOGRAPHY: STEVE COLBY

What's all this then?! A spread of the legendary model and *MensWorld* favourite Jo Guest from her heyday that has never been published anywhere ever before until this fine day? Vacuum-packed and kept under lock and key until we considered our readership ready for such sensuous delights?

Well yes, it is actually, and a rare treat from the archive to remind us all why this sexy little strumpet was and still is considered one of the best British glamour girls of all time.

Forget the fact that the retro-style set makes her look like a horny bride on her wedding night and admire once again Jo's nigh-on perfect boobs and pert bottom – not that you need any encouragement, of course.

Will we ever find a homegrown hottie with that all important 'girl next door' appeal to match the popularity of 'Guesty'? Who knows. But for this issue, it doesn't really matter…

THIS MONTH

MARIE

PHOTOGRAPHY: DDF

MARIE

Hello readers. I'm sure you're used to hearing stories in *MensWorld* from girls like me, all trying to outdo each other with all the naughty things they've been up to. Well, I'm not going to try and compete with the stuff you will have read – I know exactly what girls in this industry are like, and I'm actually a pretty normal person. Yeah, I know a lot of people don't think taking your clothes off for a living is normal, but I do all the regular things a woman my age does – I go shopping, out to dinner, a bit of clubbing, the cinema, that kind of stuff. I'm no different to any female friends you might have, apart from the small percentage of my week when I've got my legs spread in front of a cameraman!

So this is more of a confession than an out and out description of crazy sexual behaviour. And I'm telling you guys because I can't tell anyone else, and I know my husband and friends won't read this. And the reason? Cos none of them know what I do for a living!

So yes, I have been a model for a few years, but I always restricted the number of shoots I would do because I didn't want my friends and family to find out. I often change the colour of my hair, wear outrageous outfits, and mainly do shoots away from home. I live in the Netherlands, so a lot of the shoots I do will be in the UK or other European countries, and we make so much porn back home we rarely need to import smut from elsewhere. I've had a day job as a hairdresser all this time too, but the money in modelling is good (especially if you don't wear out your welcome) so I'll often take a trip to London, get a few shoots done, hit the town, then head home. Easy.

Well, it was easy until I met Ben, who went from being boyfriend to husband in a very short space of time. I started going out with him just over a year ago and six months later we decided to get hitched, and it all happened very fast. Too fast for me to tell him about my secret modelling career. Now, I'd never done boy/girl and never would, but I have done a lot of girl-on-girl shoots and I didn't really want to give that up – I love pussy! But I was worried Ben would try and stop

I FANCIED SOPHIE AND COULDN'T WAIT TO GET BETWEEN HER LEGS

me so I decided I would just not tell him about what I did.

As you can guess, it's been pretty tough sneaking out of the country to do modelling jobs without my fella knowing about it. Hard to convince him you're on a business trip when you're a hairdresser. I settled for a lie that my oldest friend lives in London, and every two months I would visit her. I would then fly over for a few days and get as many shoots done as possible – simple! And it was working so well, right up until I got too carried away on set, which was what I wanted to confess today.

It was a girl/girl shoot with a model called Sophie. I'd already shot a couple of solo sets that morning, and the photographer – an old friend, who I'll call Mike here – introduced us when she arrived. A real stunner but quite shy, with long dark hair and pert little boobs, I fancied Sophie from the get-go, and couldn't wait to get my mouth between her legs. The fact that she was so shy and demure made the thought even more exciting.

So we started shooting. A simple set-up in Mike's living room, with me seducing Sophie on the sofa. Even though she was shy, she didn't hold back, so when I pulled her lacy knickers down and saw her freshly-shaved pussy for the first time, she took no hesitation in thrusting it in my face. She was already really wet (as was I) so I pusher her on her back and started licking her swollen clit.

Mike was having trouble keeping the pair of us still for his photos. Every pose Sophie and I got into was such a turn-on, neither of us could help trying to make each other come. I could hear Mike getting frustrated in the background, but holding still while I had my mouth on her tight, young pussy was just impossible. And she couldn't get enough of squeezing my tits and trying to put her fingers inside me. I don't know what came over us – we were insatiable.

I was just thinking about how my new husband would react if he could see me having sex with this gorgeous model, whether or not he'd be jealous and furious or just turned on, when I noticed that Mike had stopped taking photos. My head was buried between

I TONGUED SOPHIE HARDER AND HARDER AS SHE CLIMAXED

Sophie's thighs and she was moaning quite loudly, so it was fair enough that I didn't really know what was going on around me, but when I looked up I realised Mike was just watching us and wanking. And I could hardly blame him. I gave him a smile and went back to licking Sophie out, waggling my bare bum at him as I did so.

Sophie ran her hands through my hair and started bucking her hips as I brought her to orgasm. I decided that making a girl come while a guy wanked behind me would most certainly make my hubbie angry as opposed to aroused, so I stopped thinking about him and tongued Sophie harder and faster as she climaxed.

At that point, I felt a warm shower of jizz spray over my back. I was so caught up in the moment, I couldn't get angry with Mike for coming all over me. I felt it drip over my cheeks, over my wet pussy, and I rubbed it into my skin as Sophie's moans of pleasure subsided.

Sophie then pushed me onto my back and proceeded to return the favour, kissing all around my thighs and tummy until letting her full lips rest against my spunky pussy. She licked Mike's cum off me and then pulled my pussy lips apart to give me a proper seeing-to. I watched Mike zip himself back up and go back to his camera as Sophie worked away between my legs, and it wasn't long before I was shuddering to a really intense climax.

I wondered how unfaithful, on a scale of one to ten, this was, and settled on about a seven or an eight. I thought about it as I flew back to the Netherlands, back to my loving and blissfully unaware husband, but soon put it out of my mind – what's done is done. And let's face it, I'm probably going to do it again pretty soon so I'd better just get used to it. Thanks for listening, boys – I hope you don't think too badly of me!

SHE LICKED MIKE'S CUM OFF ME

BELL BOTTOM!

SHE'S RECOGNISED AS ONE OF THE BEST PERFORMERS IN ADULT HISTORY AND SHE HAS ESTABLISHED HERSELF AS A DIRECTOR, TOO, WINNING DIRECTOR OF THE YEAR – BODY OF WORK AT THE 2009 XBIZ AWARDS. AND SHE ONCE STUCK A BASEBALL BAT UP HER WRONG 'UN. YEP, IT'S BELLADONNA...

She has managed to bring the same passion she displays as a performer into her directing. Evil Angel owner John Stagliano recognised that after she'd shot only three movies, bringing her into the fold with names like Joey Silvera, John Leslie, Rocco Siffredi and many other legendary directors.

Over the years she has not only survived what could have been career-killers for anyone else – a devastating interview with Diane Sawyer on America's *PrimeTime Live*, shaving her head, sporting major tattoos before they were fashionable – but managed to turn all of these into advantages. Who thought this innocent Mormon girl would become one of the biggest stars the porn world had ever seen? Not Belladonna, but with Belladonna one needs to expect the unexpected. We get up close and personal…

How do you think being raised Mormon influenced your adult career?

I was always in a conservative area because I was always surrounded by the people in my family, which were Mormon people. I wonder if I do all these things because I was Mormon, or was I just going to do it no matter what.

In every interview I ask the person whom they most enjoy or want to work with, and usually they say Belladonna.

That's so interesting. When you're that person you just don't get it. I appreciate it and I'm flattered, but I don't get it. You need to forward me this list so I can find these girls and work with them.

It's because you make a connection with the person you're working with.

I know what you're saying. I think a lot of people forget that everyone has their own boundaries and no matter what you're doing you should be able to enjoy it. You get some people where they can't do anything but that one type of sex and that's not how the world works. Everyone is different.

Who is it that you really like working with?

Right now I'm on this huge kick with this girl Sinn Sage. I feel like… I don't want to say I feel like I'm watching myself, but I'm watching someone who reminds me of myself when I perform because everything she does is with passion and it's so amazing to watch. I feel like I've never seen a girl fuck a girl before I saw her fuck a girl. I'm doing a whole movie on her, it's called *Discovering Sinn Sage*. I get chills watching her, and I've been in this business for years and no one has made me feel like that.

How did you first get into directing?

I never wanted to be a director! I never had a desire, it was never even a thought in my mind, but I would tell my ex-boyfriend [Nacho Vidal] all the time, "Here's an idea for a movie," I had all these wonderful ideas, but I didn't want the pressure of actually doing it. Finally I gave in and I started doing movies for Sineplex and I was having a lot of fun. After about three movies for them I went to Evil Angel. My ex took a movie to John Stagliano and said, "Watch this, you've got to have her direct for you." And sure enough the next day he said all right. It's insane.

Oh yeah, that's where my bum is!

For the first movie I seriously stressed out. I put one movie out in one year. I kept telling John, "I need time," and I was surprised that they let me stay there. He brought me in for a meeting and asked me if I really realised the workload of being a director and all this stuff that you need to know, and I said, "If you guys don't want me to direct for you, I totally understand and that's cool, just tell me." John looked at me like, "Are you serious?" I'm not like the people they're used to dealing with. I didn't really realize how big a deal it was. I've finally reached a point after five years that I'm finally comfortable as a director.

How do you select the talent?
I've started to do casting calls. They could be girls who've been in the business five years, it doesn't matter, it has to be that they're new to me. I want to see what they're like, what their personality is like, what kind of sex they're into, things that they don't like, what their screen presence is, because that makes it so much easier for me to make them have a good time. It also allows me to see what they look like in person because sometimes you go to these agents' sites and you see these super airbrushed images of people and they show up in person and it's a totally different person. You want to see also, too, that their bodies don't have any staph infections or major bruises, because I've had girls show up to set and it's like, "Are you joking?" In 10 or 15 minutes you can know a person pretty well. That helps me tremendously.

Belladonna is always ready to make a fist of things!

Tats or twat?

Can we get in the middle, please?

You have a way of taking things that, on paper, seem completely insane and making them incredibly hot. Like putting a baseball bat up your arse.
It's funny, because I don't really plan it out. For that one, I was in Prague and I saw this baseball bat and I thought, that could fit inside me. I get bored very easily, so I'm always looking for something different or to change it up or be with someone new. I guess it's the passion behind it. No matter what you're doing, it's the way that you do it.

People always bring that up and tell me how I'm doing all these crazy things, but how often do you see me doing them? I don't do them every time I make a movie. It's when I feel like it. I think I've used my baseball bat two or three times. People sometimes act like that's all I do. But I have some movies that are super erotic and there's not much anal in them or whatever, I always have something different going on, because for me that keeps it fresh. A lot of girls come on set and they're scared to death what I'm going to do to them. I'm not going to do anything to them that they don't like doing.

You won Best Supporting Actress at the AVN Awards for *Pirates 2*. Acting wasn't something you had really done before.
I want to do more of it and I'm going to. It's fun to start doing something different.

Have you thought about doing features for your own company?
We're working on some scripts right now and we'd love to do our first feature in the next couple years. We're really excited about it. It's hard, because you want to be just as into the story as you are into the sex. I'm glad I have an interest in it now, because I didn't always, but after *Pirates* I knew I wanted to do more of it.

WATERING HOLES!

Simon's Bar is like Coyote Ugly – only nowhere near as shit. The girls strut their stuff, the drinks get mixed and Emma Edwards grabs a prime spot at the bar to check out the girls of Digital Playground. Bottoms up…

Bar Pussy
Starring: Riley Steele, Jenny Hendrix, Yasmine Gold, Kerry Louise, Larissa Dee, Scott Nails, James Deen, Mick Blue, Tommy Gunn.
Directed By: Robby D.
Available From: Digital Playground.

Customer service with a smile has never looked so good than at Simon's Bar. Known not only for their kinky happy hour sessions, that includes plenty of Buttery Nipples, Sex on the Beach and Cowboy Cocksuckers to go around, Simon's Bar is where the hottest chicks in town flock to get their feathers tussled.

Landing the bartending job of a lifetime, Scott Nails is eager to put in some overtime hours in his quest of securing ripe melons for himself and for his friends. Since bar girls are known to be easy, this new gig is a slum dunk for his dick. With plenty of gash-gush to go around, *Bar Pussy*, the latest thriller from director Robby D really delivers what thirsty men crave. With Digital Playground contract star Riley Steele leading the pack, expect not to only wet your whistle, but to quench your thirst with premiere pussy pulp that is served on tap. With all of this juice on the loose, are you ready to get your fill?

Riley Steele certainly is! Already set up in place at the bar, sipping on a cocktail, Riley leans into Scott to show off her store bought titties and tanned skin. "How do you like your drink?" he asks. Batting her eyelashes and tugging down the lacy edge of her top, Riley just smiles and continues to sip. "Would you like another?" he asks, licking his lips lasciviously to show his sexual interest.

Livin' the life of Riley Steele!

As soon as things start to heat up between them, James Deen, Scott's pussy hungry housemate, enters the bar and momentarily disrupts their sexual flow. Not one to break concentration easily, Riley continues their play by saying, "Yes, I'd love another drink only I have no money to pay for them." Cue the cheesy porno music! Before Scott has time to react, Riley delivers them an offer they can't refuse by agreeing to make both of their cocks cum as payment for her cocktails.

Immediately agreeing to her terms, Scott and James arrange Riley on the floor between them. Pulling out their cocks in unison, Riley sucks Scott while she strokes James with her small fist. "My turn now baby," James eventually says, as Riley is seemingly falling in love with Scott's jumbo-sized stick before our very eyes. Now with both cocks going in and out of her mouth in turn, Riley opens wide to inhale a huge gulp of air and release bucket loads of saliva before continuing. With scads of spit dripping of both sets of cock and balls, Riley steps back to admire her work. "Yeah, I know I'm good at that!" she teases, as both men look like hungry wolves ready to attack the fresh meat that's been aptly laid out

Tommy samples Hendrix's Electric Ladyland!

before them.

Since Riley was Scott's conquest first, he begins the play by arranging her into first position, doggie. With her sculpted ass bobbing back and forth, Scott rests his palms into the deep-set arch of her back and sinks his nail into her hole. Yelping upon entry, Riley has no choice but to widen out her legs to accommodate for the girth that is now penetrating her pussy with rabid force. Doing his part to muffle her moans, James stands beside Riley's pretty face and plants his pecker between her lips. "Chew on this for a while," he says, pulling on her ears and making her whimper like a puppy.

"Man, you've got to try this pussy out!" Scott boosts to his friend. Anxious to feel Riley out, James locks into position behind Riley and pulls her legs apart to get to her juicy centre. Like metal to magnet, his cock finds her wet spot with ease. Hammering her from behind, James starts to huff and puff, moaning, "It's just so fucking tight!" Pleased by the pussy compliments that are being thrown around left and right, Scott cuts her back down to size by plopping his pecker into her mouth one more time and saying, "Wipe that smirk off of your face and take it!" She does exactly that, eventually leaving the bar with more than just a splash of spilled cocktail across her slutty dress.

As Riley leaves Simon's Bar, Tommy Gunn and Jenny Hendrix enter. Wearing a gray dress that scarcely covers her dangerous curves, Jenny is on fire! Wanting desperately to get into this bitch's panties, Tommy begs Scott to pretend like he is the owner of the bustling bar. Since they are childhood friends and there is top-grade pussy on the line, Scott adheres to the 'bro-code' and agrees in the name of killer pussy. Needless to say, the lie works like a charm!

"LIKE A SIDE OF PULLED PORK, JENNY'S PUCKER IS PRIME FOR THE PICKIN'"

After a sexy toast, Tommy spins Jenny around and makes her hold onto the bar stool while he eats and excavates her bubbly butt. "Dive your tongue in deeper," Jenny barks, clinching her ass muscles around his nose. Securing both squishy mounds around his cheeks, Tommy sinks into her anus a little deeper and forces a makeshift suffocation session. "Suck up my ass air!" Jenny teases, as Tommy has obviously lost his mind due to his prolonged exposure to Jenny's butthole!

Pried open like a side of pulled pork, Jenny's pucker is prime for the pickin'. Sinking her in a little deeper against the stool gives Tommy, and the cameraman, the perfect insertion shot. Going straight for her ass, Tommy's gunn springs into action once it enters Jenny's backdoor. "Fuck, this is the best asshole in the business," Tommy compliments, smacking his calloused hands into the dimpled flesh around her righteous buns. She giggles and coos, eager to be nailed in a new position.

Rolling in place, Jenny is now facing Tommy in missionary position. Holding herself open at the knees, Jenny is more than happy to take Tommy on face-to-face. "Give me all you've got," she hisses, maintaining steady eye contact until Tommy lines her up in front of his pistol and shoots his wad across her pearly whites. Perfect shot!

On the look out for more pussy, Mick Blue, another one of Scott's skirt-chasing friends, has heard the news that Simon's Bar is serving up more than just vodka martinis. Eager to get a piece of the action, he pays Scott a visit. Only this time, he has a surprise for Scott instead. "I've got you covered outside," Mick jokes, leading Scott to the alley to show him the new toy he's brought for the both of them to play with. It's Yasmine Gold!

Looking entirely sexy in a pink, see-through tank top and a skimpy denim skirt, Yasmine looks like a total slut! "Do you boys want to play with me?" she questions, as both men practically drag her into their lair. Once inside, the men take a seat on either end of a sofa, while Yasmine happily

takes a spot between them. Stroking both cocks with her hands, Yasmine's mouth bounces from one hard stick to the next. Bobbing around like a bobble head, the men have full control over Yasmine's body and face. In what looks like a well-orchestrated circus act, the men have her twisting around like a pretzel in an effort to sink their cocks deeper into her saliva-filled mouth.

"You're a good little fuck toy. Let's see what else you can do," Mick teases, as he arranges Yasmine on his muscular thighs in reverse cowgirl position. Resting on the floor to get a better view of the penetrative action, the cameraman is practically splattered with cooze cream the minute Yasmine begins to cum. Apparently, Mick's cock is hitting her the right way from the start, causing her pussy river to flow with enough juicy goodness to fill an entire wine goblet.

"KERRY HAS NO PROBLEM ACCOMMODATING HIM DOWN TO THE BALLS"

Scott gets in on the action by giving her mouth another go round. Securing his cock in place, he has fun making her eyes bulge and her mouth gag. After enough oral action, Scott scoots in from behind and gives Yasmine a test spin in spoon. Reveling at the warmth of her hole, Scott fears he'll come too quickly by saying, "Shit! This just feels too good!" Although he is able to maintain his edge for twenty minutes beyond this point, both men eventually pull out and paint Gold white with plenty of splashes from their paintbrushes.

Bringing work home with him, Scott has a little surprise for James. Sitting on the bed waiting for both men are Larissa Dee and Kerry Louise. Both hungry for cock and ready to rock, these girls are starving. Not sure who to tackle first, Scott goes after Kerry Louise, while James makes himself busy by feasting on Larissa's bee-stung titties and later her asshole.

"Are we gonna fuck?" Kerry Louise asks in a sexy English accent. Before she has time to finish her sentence, Scott has his nail pricking the back of her neck. Slobbering her way around his stick, Kerry Louise has no problem opening up her mammoth mouth to accommodate him down to the balls. "Yeah baby, we're gonna fuck!" he responds, spinning her around to spear her slit in missionary position. Pulling on her multiple clit studs, Kerry Louise begins bubbling over with butter cream the minute she feels her pussy lips separating. "You're so fucking big!" she smiles, squeezing her tits together to suck on her nipples.

Meanwhile, James is hard at work in the background, treating Larissa to some standing doggie action across a four-poster bed. Holding on for dear life, Larissa is howling like a maniac and sinking her heels into the carpet below for better traction. "Take it. Take more!" James continues to shout, as pools of pussy pulp begin to spew from between Larissa's legs. "I'm coming!" she cries.

James continues on in Larissa's asshole, while Scott arranges Kerry Louise in every position imaginable. When the time comes, the men end their experience in style by offering the girls a double dose of their salty beverage. Like good sluts, they drink up every drop. Bottoms up!

Donating her pussy one last time, Riley ends the movie as deliciously as it began. With five hardcore scenes and plenty of Bar Pussy to go around, check out this latest spiller and see what all the fuss is about.

getting licked now, but my toy was keeping me happy as I fucked myself to the same hard rhythm.

It's a shame that Paul lasted a lot longer than the tape, as it would have been one hell of a cumshot, him pulling out for one last suck before spurting his sperm all over my boobs. He told us to hold it right there, reloaded the camcorder, then zoomed in on a shot of Anna grinding her arsecheeks against my equally round boobs, little stringers of cum stretching between them.

Next, we took the action into the bedroom. The sheets were obviously freshly laundered and we were planning to have some fun messing them up. Anna and I were rolling around on the bed while Paul filmed, then he positioned the camera as we got back to fucking again.

I was stacked on top of Anna in missionary this time, and Paul posed us so her bum was on the end of the bed. This meant he could stand and switch between us, cock thrusting in her cunt then pulling out to dip in mine, then back again.

If Anna was half as wet as me, we'd be soaking the sheets – right now she was taking her turn, shunting back and forth, moaning over my shoulder. I squirmed my bum and Paul pushed into me instead, pubes brushing my crack. Now I told him I wanted him in my arse. I only did anal a few times with my ex. "I feel like such a fucking dirty cow when I take it in my bumhole," I moaned, then gasped as Paul's big, wet prick sunk in and began pumping.

"Yeah, Paul can show him how it's done," Anna said, which just spurred Paul on to do me harder and deeper, as Anna slipped my toy in her own backdoor and stirred it around.

Paul got another extreme close-up of my bum, of the jizz trickling down onto the crisp white sheets. Then he followed me and Anna into the bathroom where he filmed us taking a shower and soaping each other clean again, before I snacked on Anna's snatch.

We posted the best parts on a porn site and emailed my ex the link. He said he almost lost it when he saw us, but had to admire our class. That doesn't mean Anna and me are ever fucking him again – we're finding our fun elsewhere now, and it's definitely not just with Paul…

PARTY POKER!

Recently my wife and I stayed with her sister after a party, as did one of her sister's female friends – Letitia, a fit and obviously frisky brunette who kept giving me the eye. The missus noticed and, when we went to bed, fucked me like she was marking her territory, splaying herself on my dick and leaving the two of us soaked in cum and cunt-cream.

Usually, this would satisfy me, but it just got me horny for more. Unable to sleep, I went downstairs to grab a drink and found Letitia there, like she was waiting for me. She said she knew I'd got some action, she could smell the sex on me. Then she asked if I wanted some more. I tried to say I'd always been faithful, but she was already rubbing up against me, hand straying dangerously close to my cock.

I could have stopped her but I really didn't want to. Instead, I put my own hand over hers, and guided her to stroke me off. "Maybe we could just do this," I moaned.

"Maybe…" she said, rolling her eyes. I knew I'd finish up nuts deep in her, so I stopped fighting it. Now, as she handled my meat, I brought my hands up to squeeze her tits. As I sucked her nipples, her grip tightened. I could feel the veins in my prick pulse and

swell, and when I got a couple of fingers in her snatch she felt so hot and tight.

She was in a playful mood and told me to lie under the table, so I could see through the glass top of it as she squished and rolled her big boobs up against it. I fingered her, then got her to lie down so I could eat her pussy for a bit.

She liked it when I licked her from behind, lapping her cream up her crack to her arsehole. But I wanted more of that tight cunt.

She wanked me for a while, then guided me inside of her so we were spooning on the rug. We took it slowly, Letitia reaching back to caress my balls while I groped her tits. Then she started to grind and I thrust harder, ploughing in real deep.

This still wasn't enough, so she got on her hands and knees. Probably the worst position a man's wife or in-laws could catch him in, but I like a little danger! As I banged her I kneaded and spanked her arse, which made her clench even tighter around my shaft.

My balls felt like they could overflow at any second. I knew I was on the brink of cumming, so I pulled out. Letitia moaned and rolled over on her back, spreading wide and rubbing her twat.

As the cum shot out of my tip, I rubbed it all over her crease and clit, icing from her mound down to her arsehole and making her orgasm. My dick still throbbing, I pulled her sticky, slippery outer pussy lips apart with my fingers, then watched as she gave her clit even more attention, seeing her cunt gape then snap tight as she came again.

I figured I'd better get back to my room before I was missed, but Letitia wasn't finished with me yet. We started petting on the floor and, when she'd got me hard again, she slathered her tits with cream and got me to fuck her in between them. My cock was engorged, red and glistening with wetness, so she couldn't resist a suck on the tip when it poked out. But as the friction built, I just went back to screwing her boobs until I was shooting my muck again, all over them and into her open mouth. I watched it run down over her tongue and then down into her throat.

My wife was sleeping when I went back in the room, although I woke her up with a guilt-fuck the following morning. It's a good thing Letitia didn't stick around for breakfast – my hard-on would've punched a hole in that glass table if I'd had to sit looking at her lovelyt tits over coffee!

Monsters

Vertigo, £17.99

So a NASA probe carrying samples of alien life from Jupiter’s moon, Europa, has crash-landed in Central America, unleashing a hoard of giant octopus type aliens and forcing half of Mexico to be quarantined. That’s the background to *Monsters*, a rambunctious ‘sci-fi romance’ that is a heck of a lot better than it might sound.

The plot follows photojournalist Andrew Kaulder, who is attempting to get a snap of the creatures as they migrate within the quarantine zone, but the plot thickens when the plucky snapper is told that his boss’s daughter, Sam, has got herself stranded somewhere in the area and he’s ordered to ditch his plans and escort her to the safety of the US border. What ensues is a thrilling adventure through a post-apocalyptic wasteland full of danger, excitement and suspense, but this isn’t just an action flick. This is as much a love story as a sci-fi romp. Unusual and even a bit touching Monsters comes highly recommended.

AFTER SIX YEARS, THEY'RE NO LONGER ALIENS. THEY'RE RESIDENTS.

Altitude

Anchor Bay, £15.99

When five teenage friends decide to allow one of their number – rookie pilot Sara – to fly them to a Coldplay concert in a little airplane, something was always going to go wrong. But the big question is, when their tiny craft gets mysteriously locked into an unstoppable climb towards a dark cloud with an evil supernatural force lurking within and starts to run out of fuel, is their situation really as bad as if they’d actually managed to get to the gig itself? As far as we’re concerned, the jury’s out.

Being shit music fans and all, it’s no surprise that the kids on this ill-fated flight are all pretty fucking annoying, but as the girls are all very easy on the eye and they’re obviously on a direct course for something horrible this isn’t so much of a problem.

What’s really annoying about *Altitude* is all the bloody screaming that goes on and the fact that the malevolent force inside the cloud turns out to be a flying octopus. Throw in a tagged-on ‘surprise’ ending and you’ve got a movie that’s better than sitting through a Coldplay concert – but only just.

Sugar Daddy Diaries

Mainstream, £7.99

When journalist Helen Croydon got bored of dating ‘naïve and needy’ men her own age and decided to pursue her passion for older blokes, little did she know that it would take her on a thrilling journey into a world of designer clothes, fine dining, first-class travel, highbrow sex-parties and wealthy, powerful men, but it’s a good job for her that it did, otherwise she’d never have been able to justify writing a book about the experience. After joining a dating website to search for a mature squeeze, Helen is inundated with replies from businessmen who want to wine her, dine her, fuck her and in some cases even pay her a monthly allowance to be their girlfriend.

Sugar Daddy Diaries documents Helen’s metamorphosis from dating website novice with a crush on Richard Gere to her almost unwittingly becoming a full-on globetrotting escort, earning lots of money. It’s an interesting and well-written tale that contrasts the thrills and spills of the lifestyle nicely with the guilt and inevitable lack of fulfilment.

The Twilight Zone: The Original Series

Shock Entertainment, £34.99

Something of a legendary show in television history, *The Twilight Zone* ran for 156 episodes between 1959 and 1964, enjoyed an 80’s revival, spawned a film and helped launch the careers of many soon-to-be-famous actors, including Peter Falk and Leonard Nimoy. Penned by renowned writers such as Ray Bradbury and series creator Rod Serling, *The Twilight Zone* was famed for its sinister tone, moral dilemmas and unexpected twist endings, and during its first stint on the box helped bring science-fiction drama to a mass audience. At a time when censorship and sponsor-interference dogged American television, Serling also fought hard for creative control, meaning it was one of few programmes to deal with controversial issues.

Finally, after all these years, some bright spark has decided to remaster the original series of this classic show. Featuring the first 36 instalments and stacks of extras, this superb box-set should provide hour upon hour of entertainment for fans old and new. Brilliant.

Top Guns **Digital Playground**

DIGITAL PLAYGROUND
TOP GUNS

Although the porn industry has been swamped with parody flicks over the past couple of years, uber-producers Digital Playground have only really dabbled in the genre, leaving companies such as Hustler to rule the rip-off roost. Well, they have until now anyway, and with the launch of this big-budget blockbuster suddenly it's game on for the rest of the parody peddlers.

DP have really gone in with both barrels blazing for *Top Guns*, casting many of their hottest starlets – headed up by the gorgeous Jesse Jane – and even hiring three proper fighter jets for everyone to fuck against, around and upon.

Jane and fellow blonde beauty Riley Steele play a couple of hotshot pilots, brilliant in the skies, but even better on the ground, flat on their backs and getting fucked by a couple of randy airmen.

However, Jesse and Riley have competition from the Navy to contend with in the very shapely forms of Stoya and Kayden Kross. Some impressive aerial battles ensue, but this ain't no dogfight, especially when the feuding forces kiss and make-up for the spectacular climactic orgy.

With a budget to match the critically-acclaimed *Pirates* movie of a few years ago, a decent plot that features some neat little skits of the original film, and, of course, scintillating performances from all the gorgeous girls, DP have stepped into the parody genre and blown much of the competition away.

Suited and booted, and with a handful of sluts to be rooted, the legendary Omar and his dick are the stars of this show, along with a series of sexy undie-clad girls who certainly aren't afraid to take that famously lengthy black mamba in every hole imaginable.

Decked out in stockings and suspenders, glamorous goth type Aliz is first up for the Omar treatment, seducing the ebony polesman in a swanky bar before taking his cock in her soaking pussy and inviting the bartender to get involved, too. In the 'operating theatre', naughty nurses Karlie and Lucy get lezzy on a gurney, playing with their toys and teasing each other towards a frenzied strap-on finale. It's sexual healing at it's most satisfying. Curvaceous rising star Angell Summers is next, soaping up Liza Del Sierra plump tits in the bathtub. But who is that at the door? Well, it's Omar of course, and I think he wants to scrub the girl's backs. Unsurprisingly, for good measure he ploughs the bumholes of both babes with his jumbo loofah.

The finale? Well it's another humdinging Omar threesome, with glammed-up duo Sasha Rose and Anna Joy sharing the legend's throbber. Impressive.

Young Harlots Learn The Rules
Harmony

For the latest instalment in Harmony's student-related *Young Harlots* series, we have another batch of errant, uniformed hotties who are desperate to be corrupted even further by this shamelessly carnal curriculum. Leggy blonde Russian Summer Breeze is the first to be summoned to the staff room, where a trio of teachers prepare to give her a bollocking of sorts, namely in that they want to bat them against her chin and slap them against her arse. Summer sucks their cocks in turn before taking one in each hole, going straight to the top of the class for her triple-length talents.

Happily, The Young Harlots Academy is packed with girls like Summer who are keen to impress the teachers with their boner-satisfying skills. Kaitlyn and Kari get a late night visit from 'Sir' and put up both their holes for an A+ poling, and blonde babe Mandy Dee teams up with Henessy to give their professor a four-way tit-fuck until his dick explodes. In amongst all this, all the girls gather together – presumably during their lunch break – to enjoy an all-girl orgy that, like the rest of this student shagfest, can only really be described as 'class action'.

CINDY

PHOTOS: GLOBAL PICTURES

Competing with Kagney Linn Karter for the title of 'Hottest Busty Blonde In This Issue' is Cindy, an equally curvaceous girl with the kind of beautifully proportioned hourglass figure that can turn a cock to stone in around ten seconds flat, and we know that through personal experience.

Now obviously we're not going to pick a favourite in the race for this totally made-up and worthless prize – we love each model equally and passionately – although we could be swayed with bribes such as offers of sexual favours, free beer and marriage. Indeed, they're the only kind of bribes we'd be prepared to accept from either Cindy or Kagney.

To be honest, having studied both girls in great detail for large portions of today, not only have we succeeded in not getting much work done, but we've also established that it's impossible to pick a winner between these two stunning blondes – although do feel free to write in and let us know what you think.

Who knows, if we get enough enthusiastic feedback we might even be able to persuade Cindy and Kagney to come in for a lesbo shoot and 'lady-grapple' it out for themselves.
